We are writing to you about your Social Security benefits.

**What You Should Know**

As you requested on or about December 12, 2022 we changed your direct deposit information. We will send your Social Security payments to the new financial institution or account you selected.

You should keep the old account open until we send a payment to the new account. It usually takes us 1 to 2 months to change where we send payments.

Please let us know right away if your address changes so we can send any future letters to your new address. Also let us know if you change the bank account where we send your payments.

**What We Will Pay And When**

We pay Social Security benefits for a given month in the next month. For example, Social Security benefits for March are paid in April.

- You will receive \$1,867.00 for December 2022 around January 11, 2023.
- After that you will receive \$1,867.00 on or about the second Wednesday of each month.
